Petition for Asphalt Alley Resurfacing

Email completed petition to office@aldermanhopkins.com

PLEASE NOTE: Resurfacing of asphalt alleys without sewers can and often does lead to water pooling or, in some cases, seepage into lower garages. Crews will make every effort to grade the asphalt favorably, but the lack of sewer drains in most alleys may make it impossible to move water to convenient locations. Older alleys, while sometimes rough to drive on, are more permeable as a result of age and the resulting cracks.

80% of the resident addresses on both sides of the designated Alley must sign this petition (preferably the homeowner) before the Alderman will consider asphalt resurfacing. The petition circulator must be a resident of the designated block.

THIS SECTION MUST BE COMPLETED BY THE PETITION CIRCULATOR

We, the undersigned residents of the _____ block of _____ in the 2nd Ward, request alley asphalt resurfacing in the following location: _____
